Chennai

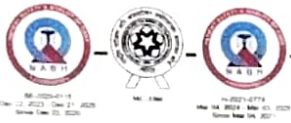

To whomsoever it may concern

This is to certify that Baby. Thiyash (UHID NO: 12018196927) aged 3 months and diagnosed to have PFIC and he has been advised to undergo liver transplantation at the earliest. Both the patient and donor needs to undergo pre-liver transplant assessment in our hospital and to obtain fitness for the same. The cost for the living donor liver transplant surgery would be around Rs 22,00,000/- (Twenty two lakhs only).

Please do not hesitate to contact me for any further information about the medical condition of the patient Baby. Thiyash.
